

Acme Events nominated for "Oscars" of the travel industry

Bangalore based company nominee amongst biggies of the travel industry - only Indian event management company to be nominated for World Travel Awards

Bangalore, September 26: Acme Events India, a Bangalore based event management and destination management company, has been nominated for the category of "India's Leading Destination Management Company" for the "Oscars" of the travel industry, the World Travel Awards 2011. This is the second consecutive year that the company has been nominated in this category amongst industry big wigs such as Cox & Kings, Kuoni Travels India, TCI, etc. The award will be announced at the gala ceremony which is to be held at Bangkok, Thailand later this week.

"Destination Management is a growing industry in the country and we are pleased to be recognized as one of the major players.", said Geo Thomas, founder and Business Head of Acme Events India. "We are ecstatic to be nominated in this category for the second consecutive year."

The World Travel Awards has been held for the past 18 years, taking the global lead in the quality of customer experience in the field of travel and tourism. Acme Events India offers destination management services in the corporate sector, organizing tours and hospitality services for visiting delegates from various companies as well as managing their time in India efficiently. From airport pick ups in limousines, hotel accommodation, management of the event the delegates are attending to their leisure activities during their stay in India - the destination management company takes complete charge of the delegates till they leave the country.
